

Inspire Trust Government Fixed Income Common Trust Fund

Investment Objective

The Fund's investment objective is to achieve a high level of current income as is consistent with preservation of capital.

The fund will generally invest at least 90% of assets in U.S. Government securities and repurchase agreements for those securities and the trustee may from time to time vary the allocation.

Investment Guidelines and Restrictions

- The fund will invest primarily in U.S. Government Securities.
- The fund will target a dollar-weighted average maturity of three to ten years, and the manager may vary the duration.
- The fund may have exposure to the government and government-related sectors of the U.S. bond market. The strategy may invest in U.S. treasuries, Treasury Inflation-Protected Securities (TIPS), and debt issues by government-related agencies (e.g. Fannie Mae, Freddie Mac), and mortgage-backed securities (MBS). The fund may invest in corporate bonds but they must be investment grade.
